Available seats - Open - 10,

SC-ST - 03,

Sponsored - 05

Eligibility -

Applicants must have one of the following degrees from a statutory University:

1. B.E. (Printing Engineering)
2. B.E. (Printing Engineering and Graphic Communication)
3. B.E. (Printing Engineering and Communication Technology)
4. B.Tech. (Printing Technology)
5. B.E. (Printing)
6. B.E. (Printing Technology)
7. B.E. (Packaging and Printing Technology)
8. B.E. (Chemical Engineering)
9. B.Tech. (Paint Technology)
10. B.E. (Mechanical Engineering)

Students appearing for final year (B.E./B.Tech) examination can also apply. **Candidates with valid GATE score will be given preference. GATE qualified candidates are eligible for scholarship after receipt of grants from AICTE.** Admission procedure will be based on eligibility, merit, written test and interview.

The College -

PVG's College of Engineering & Technology (C.O.E.T.) was established by Pune Vidyarthi Griha, in 1985. **Pune Vidyarthi Griha (PVG)** is a well-known educational and charitable Institution in Maharashtra with hundred years' standing. The College is a self-financing Institute **approved by A.I.C.T.E., affiliated to University of Pune and accredited by NBA and NAAC as well.** Presently it conducts B.E. Degree courses in the six branches, namely **Printing Engineering, Mechanical Engineering, Electronics & Telecommunication Engineering, Electrical Engineering, Information Technology and Computer Engineering.** It has well developed infrastructure like Classrooms, Laboratories, Drawing Halls, Library, auditorium etc. and equipment worth Rs. 14.0 Crore. Many outgoing students are well placed in Industries through Campus Interviews.

The Printing Engineering Department of COET is one of the leading departments. All the teachers are **highly qualified and experienced.** Many of them have technical publications and textbooks to their credit. The Department has well equipped laboratories for Printing

Machines such as Gravure, Flexography, Offset, Screen, Testing, Finishing & Computers. Many projects of the students are sponsored by industries both India and abroad. The Post-graduate course is introduced from July 2009.

An application form is attached herewith.
