ADMISSION TO
M.E. ELECTRICAL (POWER SYSTEM) COURSE
2008 - 2009 [Four Semester Course]

Applications are invited for the **M. E. Electrical (Power System)** course, commencing in July 2008. **Application Forms** can be obtained from the College office during working hours or from above website from 10th April 2008 onwards. Those desiring to get the forms by post should send a self addressed, 4" X 9" envelope with a postal stamp of Rs. 5/- affixed on it, for the same or otherwise student can download form from website www.pvgcoet.ac.in.

Available seats - Open - 10, SC-ST - 03, Sponsored - 05

Eligibility -

Applicants must have a B.E. / B.Tech. or equivalent degree in Electrical Engineering from a statutory University. Students appearing for final year (B.E./B.Tech) examination can also apply. **Candidates with valid GATE score will be given preference. GATE qualified candidates are eligible for scholarship after receipt of grants from AICTE.** Admission procedure will be based on eligibility, merit, written test and interview.

The College -

PVG's College of Engineering & Technology (C.O.E.T.) was established by Pune Vidyarthi Griha, in 1985. **Pune Vidyarthi Griha (PVG)** is a well-known educational and charitable Institution in Maharashtra with hundred years' standing. The College is a self-financing Institute **approved by A.I.C.T.E., affiliated to University of Pune and accredited by NBA and NAAC as well.** Presently it conducts B.E. Degree courses in the six branches, namely **Printing Engineering, Mechanical Engineering, Electronics & Telecommunication Engineering, Electrical Engineering, Information Technology and Computer Engineering** with an intake of sixty each. The college is housed in a five storied building admeasuring about **10000 sq.mtrs.** It has well developed infrastructure like Classrooms, Laboratories, Drawing Halls, Library , auditorium etc. and equipment worth Rs. 13.0 Crore. Many outgoing students are well placed in Industries through Campus Interviews.

[P.T.O.]

The Electrical Engineering Department of COET is one of the leading departments. All the teachers have either **Post-graduate or Doctoral qualifications**. Many of them have technical publications and text books to their credit. The Department has well equipped laboratories for Electrical Machines, Power Electronics, Control Systems, Power Systems, Switchgear & Protection, High Voltage Engineering, Microprocessor & Computers. Many projects of the students are sponsored by industries. The Electrical Engineering Department is approved as a 'Post Graduate Research Centre in Electrical Engineering' by University of Pune in July 2005.

The Post-graduate course at **COET** was first introduced in August 2000. Seven batches of Postgraduate students have completed their terms. Results of earlier batches are encouraging. Many students of earlier batches have completed their post-graduation with first class and first class with distinction in the two years' span.

An application form is sent herewith. Interested candidates may get it photocopied (Xeroxed) and use it.
