

PhD. Research Center: Printing Engineering

Year of starting: 2012

Number of Recognized Guides: 02

Details of Ph.D Guides

1. Prof. Dr. Yogesh . P. Nerkar

Area of specialization:Power system High Voltage Engineering, Electric vehicles, Smart Grid technology

Highest Qualification: Ph.D. (High Voltage Engineering), IISC, Bangalore

Email: ypnerkar@yahoo.com

2. Prof. Dr. Manmohan M. Bhoomkar

Area of Specialization: Design & Manufacturing

Highest Qualification: Ph.D.(Mechanical Engg). SavitribaiPhule Pune University

Email: manmohan_bhoomkar@yahoo.co.in

Details of Ph.D. students:

Name of the Ph.D student	Date of registration	Name of the Guide	Status	Title of PhD thesis	Number of Journal/ International conference Publications based on the thesis	Research grant/Travel grant etc. received for the research work
Mr.Sameer M. Prabhune	29.02.2016	Prof. Dr. M.M. Bhoomkar	Pursuing	Development of Cost Effective Printed Corrugated Cartons	In Process	
Mrs. Shilpa S Anchawale	10.09.2012	Prof. Dr. Y.P. Nerkar	Pursuing	Formulations of Water based Inks from modified resin for flexo printing and it's evaluation of printability properties on non absorbent substrates.	In process	B.C.U.D. Research grant worth Rs. 2,55,000/- From 2013-2015
