Dear Parents,

We are proud that your son/daughter is studying at our college. We continuously strive to achieve academic excellence. To this extent, we are committed to follow Savitribai Phule Pune University guidelines and we follow the Academic Calendar published by Savitribai Phule Pune University on their website www.unipune.ac.in. According to this Academic Calendar, **Lectures / Practical** for SE, TE and BE courses are **starting from 17th June 2019**. Instructions in this regard are issued to concerned HoDs and faculty members working with various departments. It is mandatory to all students to attend lectures and practical from the very first day of college. As per new rules and regulations, students having less attendance will not be eligible for any scholarship/free ship/EBC benefits. Even names of these students will not be recommended by college authorities for private scholarships/CSR scholarship/Prime Minister Scholarship/AICTE Scholarship/J & K student Scholarship etc. Please note. **Defaulter students will be detained and they will not be permitted to appear for in-semester examination of Savitribai Phule Pune University. Since the academic year 2018-19, the decision of Fees Regulatory Authority to charge fees on the basis of year of admission is made applicable (FE/DSE Combined- Same Fee Structure only on the basis of year of admission).**

From last few years, we have automated the Admission process. Students and parents are hereby requested to refer the admission menu on college website www.pvgcoet.ac.in. From this academic year (2019-20), we have introduced one more feature i.e. on-line payment facility, in association with TJSB Bank. Students are hereby encouraged to utilize on-line payment facility of TJSB, since it is extremely user friendly, very simple to understand and most convenient for making payment of college fees. Details of this new facility is displayed on college web-portal www.pvgcoet.ac.in

Students should log in to the College website <http://www.pvgcoet.ac.in>. and Select 'Admission Menu'. This menu will give access to the web page titled 'Campus Connect' for online filling of admission form. On this page enter "User name" and "Password" already provided by the college to individual student. The "User Name" is valid till the completion of the course. Students are advised to change the password provided by the college by following "Change Password Process" after logging in to the web site. In case of any difficulty, detailed help menu is available on the college website. **Detailed schedule of admission and eligibility for admission are as given below.**
