

Masters in Electrical Engineering:

The Post-graduate course **in Electrical Engineering** was first introduced in August 2000. Fourteen batches of Postgraduate students have completed their terms. Results of earlier batches are encouraging. Many students of earlier batches have completed their post-graduation with first class and first class with distinction in the two years' span. Up till now total **124** Students have completed their Post Graduation from this department. Adding to its excellence this **Course is N.B.A accredited for three years since September 2013. Many candidates are GATE qualified and they receive scholarship from AICTE, Delhi and UGC.**

Post Graduate students are actively involved in sponsored research projects funded by various funding agencies. The department also has good liaison with industry through Post Graduate projects.
