The Year 2017 is marked as a major milestone for our college as our College is accredited with grade "A" in the second cycle by the NAAC. This is a very delightful and proud moment for all of us.

**AUTOMOBILE WORKSHOP**

An Automobile Workshop is conducted by MESA every year. Held in September 2017 this time, it is conducted with the sole purpose of exposing students to the industrial viewpoint on automobiles and helping them to understand the dynamics of a vehicle. The workshop is mainly held for students of FE and SE Mechanical as it helps them get a better grasp on the various subjects of Mech. Engineering. The workshop was conducted by Elite Techno Groups, a renowned automobile training group in India.

**APTITUDE TEST-** Aptitude tests was held on 17th August 2017 with a viewpoint of helping students analyse their IQ and thinking ability when they face tests conducted by companies who visit the college for placements. Arranged by the T&P cell of MESA, this test is inspired and set according to the tests previously held by the companies. Students from all SE and TE gave the test. After completing the test, the students are given important information regarding aptitude tests, tips and tricks to get better at them and results are displayed in a week.

**TREASURE HUNT**

**TECHNICAL TREASURE HUNT-** MESA organised for a treasure hunt event for the students of SE. The objective behind the event was to familiarise the students with the infrastructure of the college, introduce students to the various labs and help them get a basic idea of the college facilities. This event was conducted in August 2017 as the new academic year began. A common clue was given to everyone and the race began. Clues were hidden across all labs inside various apparatus and lab equipment. Participants had to through a labyrinth of clues, crack them, reach the right place and do all this without losing any stamina.

FE induction was conducted for this year's first year students for letting the know the programmes and events conducted in MESA .The induction was held on 18th August 2017.

**ALUMNI MEET**

The alumni of any institute form the Pillars and the backbone of the institute's legacy. MESA has through the years paid special attention to maintain this interaction with the alumni and the college by establishing an Alumni Interaction Cell. The AIC is a medium through which a channel is established for communication with the alumni and it also maintains a good rapport with them. To enhance things further every year, the AIC organises an Alumni Meet where the alumni are invited to the college. October 17

## TEAM MAVERICK - SUPRA

Continuing their legacy of good records in the competition, team selection for SUPRA SAE-India 2017 was conducted in Oct 2017. Standard Selection procedure consisting of aptitude and technical assessment test followed by personal interview were conducted by the previous year's team under the guidance of Prof. M.M.Kamble. A team not only requires smart and intelligent minds but also sincere and dedicated members to keep up with the fast pace of work and complete the work within the stipulated time. The SUPRA event was held on 26th June to 1st July 2017.
