Tree plantation camp :

This programme was scheduled by the eco club on 8th September 2018 to let the students know about the importance of the trees and to make them aware of the current situation.

Sports help build physical as well as mental fitness. They help one learn how to be a part of a team and how to work alongside one another in harmony. With the intention of providing the students a respite from their busy schedules, a sports event was organized by MESA on 19th September 2018. A large number of students from all the years took part in the event with great enthusiasm.

MESA held **sports** event on September 19, 2018 to September 21, 2018. All three days saw students participate in a variety of sports, having the time of their life as they revealed some of their school days. The event received a great response and students from all 4 years took part in it with great romp and passion. MESA Sports hosts 10 sports namely Cricket, Football, Badminton, Box Cricket, Basketball, Dodgeball, Volleyball, Relay, Carrom and Chess. Football and Badminton were the only sports conducted out of college on professional grounds.
