

## Industry Institute Cell (IIC) – Academic Year 2019-20

### Continued Initiatives in Year 19-20

#### 1) Study-Go-Work Japan

There is a MEMORANDUM OF UNDERSTANDING made between PVG's College of Engineering and Technology and Hirameki Solutions, Pune-411058. The second batch of this program i.e. BE 2019-20 has shown remarkable success.

**Objective of the Course:** The objective is to Conduct Japanese Language Courses for a **Study Go Work JAPAN recruitment program** for the students of PVG's College of Engineering and Technology and to create interest about the language and increase the employability of the students by learning Japanese language.

**Content of the Course:** The course shall be designed by Hirameki Solutions. The course shall include, - Introduction to Japanese language - JLPT N5 syllabus - JLPT N4 syllabus - JLPT N3 syllabus - Preparation of interviews in Japanese - Spoken Japanese

**Outcome of the Course:** The objective of the Japanese Language training shall be to enable the selected students to qualify for the free trip to Japan in November/December for attending interviews with Global companies, and also to create interest about the language.

**International Placements:** - An orientation for the course was done for BE students of 2019-20 batch in the month of July 2019 in our college. The training on Japanese language was conducted in-house from July to December 19.

Total 32 students have enrolled for N5 level while 64 students enrolled for N4 level of Japanese Language in year 2019-20 under this course.

Five students, three from 2019-20 batch and two from 2018-19 batch got jobs respectively in Japanese companies like Kaneka Corporation, Screen SPC and Diafuku, Mitsui e&S and Brycean Japan, under this initiative.

#### 2) Alumni Connect:-

**Objective:** - Industry Institute Cell has formed Alumni Connect Professional Forum aiming to bring alumni back to campus for grooming next generation industry ready, creating awareness about career options, job profiles and trend of job opportunities amongst students as a part of this initiative.

**Action plan:** - Alumni were contacted for understanding the possibility of active contribution of alumni in grooming next year batches.

**Outcome:** - Alumni responded showing interest in guiding next batches towards trend of change of job opportunities, required industry- ready preparation of candidate etc.

#### 3) Continuing Association with CoCubes:-

**Objective:** - To enable candidate to know the Corporate's Evaluation and Assessment Method **and increased job opportunities.**

**Outcome:** - More Job opportunities, Increased options for candidate, Increase in placement

There are mainly two advantages of this association

1) **Continuous progress evaluation program:-**

This program of Cocube will be useful for self-diagnosis of skill sets of candidate and need of training for individual.

2) **Placement Opportunities:** - Many software as well as core industries use the score of Cocubes tests while shortlisting the candidates in final year.

An orientation about this platform was arranged for the second year students of all branches. The session was conducted by Mr Shashank Mishra- Cocubes in August 2019, in which benefits of this platform were explained.

This year 2 students received offers of salary 4 lacs per annum in Corecompete, 4 students with salary of 5.4 lacs in Bentley, 2 students with salary of 5 lacs in Harman and 6 students in Jayashree Polymers with salary of 1.8 through Cocubes platform.

The second year and third year students are enrolled for Continuous Evaluation Program of Cocubes. Total 285 students from BE, 210 from TE and 170 students from SE have registered so far for the Cocubes Continuous Evaluation Programme.

**4) Industry Institute Interaction**

TPO, Avinash Pore participated in Industry-Institute meets organized by Infosys on 28<sup>th</sup> May, SPPU and Infosys on 3<sup>rd</sup> June 2019, L&T Infotech on 25<sup>th</sup> June 2019, T-Systems on 31<sup>st</sup> July 2019 and DTE on 31<sup>st</sup> July 2019.

Avinash Pore also participated in meets organized by Training & Placement Officers Associations like FTPO, Pune (Federation of Training & Placement Officers, Pune) and MaTPO (Maharashtra Training & Placement Officers Association) on 14-6-19 and on 27-09-2019 respectively.

**Industry Offered 'Internship & Placement' Platforms**

**Atlas Copco –**

Internship program: - Atlas Copco Ltd an esteemed recruiter of PVG's COET, Pune selected 16 students from BE 2019-20 batch (11 from Mechanical and 5 students from Electrical) did one month in-plant training during June 2019.

Placement: - Atlas Copco selected 8 (6 from Mech and 2 from Electrical) students for Job on the basis of performance during this Internship period. Also they awarded female topper student from TE Electrical with Kruttika scholarship and a job in atlas Copco.

**Schlumberger**

Schlumberger offered internship during June 2019 to one selected student from BE Comp and also awarded Pre-placement Offer (PPO) to him. They also conducted Hiring contest **Brainwave** in Feb 2020 and offered job to 2 students from BE Comp through it with a salary of 6.6 lpa.

### **Persistent**

Persistent has proposed '**Career Compass**'- **A virtual internship platform** for the 11 campus selected students in Persistent. This programme will be executed in this semester. It is an engagement model aiming to provide an online focused learning platform for the campus selected candidates which will help them to prepare for entry level job roles in industry.

### **Myaccountant**

2 students from BE comp got selected for 6 months internship which will further likely to be translated in to regular job.

### **Industry Institute Association**

#### **Barclay**

**Barclay organized** 'India Technology Day - A Journey to the Cloud' on 23<sup>rd</sup> October 2019 for campus selected (11 nos.) students in Barclays.

Also, they offered 3 passes (first come first serve basis) for Barclays campus selects from our college to participate in English Premier League Live Screening on 10<sup>th</sup> November 2019 at Conrad, Pune.

#### **TCS**

TCS had organized **Leadership Program** for senior staff members of our college on 9<sup>th</sup> September 2019. Directors, Principal, Vice-Principal, Dean-Industry Institute Interaction, Dean- Research and Development, Dean- Internal Quality Assurance Cell, Head of Departments and Senior Staff Members of all Engineering Branches of our college participated in the same.

A Live Web session on C++ by Ms. Smita Singh, Automation Transformation Lead from TCS was Conducted on 5th June 2020 for SE, TE and BE students.

#### **KPIT Technologies**

KPIT Sparkle 2021 Free Innovation Live Webinar Series of 3 sessions was Conducted on 6th, 7th and 8th June 2020 for current SE, TE and BE students.

KPIT Sparkle webinar on 'Pain Areas of Mobility and Solutions to Make Mobility Safer' was conducted on 13th June 2020 for SE, TE and BE students.

#### **Dassault Systems**

A webinar on 'Create Your Future Through Impactful Projects by Mr Hemant Gadgil, Executive Director and an Industry Expert from Dassault Systems was conducted on 11th June 2020 for TE

and BE.

### **Kirloskar Vasundhara**

PVG's COET, Pune has participated in Kirloskar Vasundhara's 'Green College, Clean College' competition. For round 2 of this competition, 7 colleges are shortlisted out of total 40 colleges participated and PVG's COET, Pune is one among them. A team of Kirloskar Vasundhara visited PVG's COET, Pune on 27<sup>th</sup> Decemeber 2019 for inspection of the college. Winners will be declared on 7<sup>th</sup> January 2019 during Kirloskar Vasundhara International Film Festival.

### **Persistent Hackathon**

**Hackathon Inauguration** – Mrs Anuja Kanhere from Persistent visited to our college to address students on 17<sup>th</sup> Jan 2020, an inauguration day of Persistent Hackathon Competition. Prof Mrs Urmila Kalshetty from Computer dept. coordinated the activity.

### **Unleashing UML**

A seminar on Unleashing UML was conducted on 14<sup>th</sup> Feb 2020 for Computer students by Saudamini Patil, an IT professional (earlier worked in Infosys).

### **Scholarship from Industry**

Industries like Atlas Copco, Kirloskar Vasundhara and Cummins offer scholarship to intelligent and needy students. There is a set process of selection of candidate based on merit.

- **Atlas Copco –**
- Every year, female topper from T.E. Electrical class, is awarded by **Atlas Copco** with a scholarship of Rs. 50,000/- towards **"Female Engineer Scholarship Award - Kruttika"** and Job. **Miss Tanvi Sawalkar received this scholarship in year 2019-20 along with job offer at Atlas Copco.**
- Recipients of 'Kruttika' 2018-19 – Ms Pranjal Wagh, 2017-18- Ms Aditi Darbhe , 2016-17- **Ms.Shubhada Gaikwad** , 2015-16- **Ms.Anisha Pendse**, 2014-15 **Ms.Shrutika Vernekar** got the 'Kruttika Scholarship'.
