

Spoken Tutorial

Academic Year: 2023-24 Sem I

Date: 10/1/2024

The Spoken Tutorial project is funded by the National Mission on Education through Information and Communication Technology (ICT), launched by Ministry of Education, erstwhile Ministry of Human Resources and Development, Government of India. <http://spoken-tutorial.org/>

Objectives:

- To impart the knowledge of technology and free and open source software (FOSS) to the our students and faculties
- To conduct software training workshops using spoken tutorials and facilitate certification with the help of online test.
- To provide remedial teaching to slow learners and average students using Spoken Tutorial as an ICT tool.

Outcomes:

- Students prepared project and seminar reports in Latex with the help of Latex tutorials.
- Students referred videos in tutorials for the preparation of practical exams where coding required in C and CPP and Object oriented Programming Laboratory assignments.
- Students nurtured coding skills (development skills) for open source programming languages to prepare themselves to work on projects.

➤ **Total Participations: 1132** **Total Certifications: 1116**

Semester I

Department Name	Faculty Coordinator Details	Class of Students	Spoken Tutorial Course	Student participations	Certified participants
Computer Engg.	Prof A G Sawant	SE	Python	74	74
		SE	C and CPP	71	71
		TE	Latex	74	74
		BE	Git	49	49
Information Technology	Prof. S.A. Deshpande	SE	Java	64	60
		SE	Advanced CPP	59	56
		TE	Python	70	70

PVG's College of Engineering & Technology and GK Pate(Wani)
Institute of Management, Pune-09

		TE	HTML	65	65
Electronics and Telecommu nication Engineering	Prof Vaishali Gongane	SE	C	124	120
		BE	HTML	122	121
		TE	Java	29	29
		TE	Scilab	48	46
		BE	Latex	149	148
Artificial Intelligence and Data Science	Prof. Vijayalaxmi Kanade	TE	Latex	68	68
		TE	PHP and MySQL	66	65
Total				1132	1116
