

Five Days Online Faculty Development Programme (FDP) on
'Fostering Innovation & Start-Up Culture in Academic Institutions'

Academic institutions play a vital role in nurturing innovation by creating an atmosphere that encourages creativity, problem-solving, and interdisciplinary collaboration. Curricula that emphasize critical thinking, design thinking, and entrepreneurship significantly enhance students' abilities to develop and pursue innovative solutions to real-world challenges. The MBA department organized a Five Days Online Faculty Development Programme (FDP) on **'Fostering Innovation & Start-Up Culture in Academic Institutions'** from 28th July 2025-Monday to 1st August 2025, Friday. The speakers from different domains related to Innovation & Start-Up shared their experiences on the various topics like Foundation of Innovation and Entrepreneurship in Academia, Ideation to Commercialization, Capacity Building for Faculty and Students, Building Institutional Capacity and Ecosystems, Implementation Strategies and Future Roadmap. The shared insights and experiences with the participants, which will assist them in initiating their own innovations and start-ups.
