# ABOUT PVG

The parent institute **Pune Vidyarthi Griha (PVG)** is a well-known Charitable Institution of Maharashtra, established in 1909, by a group of dedicated and visionary educationists. The primary mission of the Institute is to provide progressive and value-added education facilities for the deserving, poor students of the society. Today, the institution has grown into a big banyan tree with its branches spread across Pune, Mumbai and Nashik. PVG's various institutions conduct a wide spectrum of education programs from Pre-primary to Higher education, in professional fields like Engineering Technology, Management, Computer Science and Commerce & Science College etc.

PVG has been the only institute in India, which has striven hard for professional education in the Printing field since 1926 and has taken the lead in establishing degree and diploma in Printing Engineering and Communication Technology, approved by the All India Council for Technical Education. PVG has a modern Printing Press and Publications division. It has published mainly technical books, which are standard & very popular.
