What is TED?

TED is an annual event that brings together the world's leading thinkers and doers to share powerful ideas across diverse fields—technology, entertainment, design, science, art, business, and global development—shaping the future through innovation and insight.

What is TEDxPVGCOET?

TEDxPVGCOET brings the unique TED experience to Pune. TEDxPVGCOET is a curated, day-long, immersive live experience, bringing speakers, artists, and audience members together with the purpose of sharing perspectives, sparking deep discussions, and inspiring positive networks and impactful actions around ideas that matter. The event would be held at the well-known educational institution- Pune Vidyarthi Griha's College of Engineering, Technology and Management, tentatively scheduled for

13 september, 2025

Our goal is to inspire learning, spark meaningful conversations, and motivate others. We provide a platform for thinkers, visionaries, and learners to share idea-driven talks.

Speakers onboard for TEDxPVGCOET 25

HRUTVIK AMBEKAR

International badminton athlete (career-high top-140 world ranking), postgraduate in Financial Management, two-time TEDx speaker and founder empowering tribal communities & youth through impactful social movements.

KEDAR PATANKAR

Dual-master's educated technologist turned award-winning storyteller and environmentalist: writer of the critically-acclaimed Scam2003: The Telgi Story, author of the novella Border Post99, and founder of "The Trash Talk" environmental initiative, monthly uniting volunteers and teaching endangered-village children spoken English to empower their future.

BHOOSHAN KELKAR

IIT Bombay engineer, PhD in AI from the UK, IBM Master Inventor and former University Relations Country Manager (India & South Asia), now CEO-Director of Neuflex Talent Solutions with 23 granted US patents and over 25 years of expertise in AI, innovation, IP strategy and career transformation through technology.

MAJOR L.S. CHAUDHARY

Decorated Indian Army veteran and Rashtriya Rifles alumnus, founding a top-rated YouTube channel that inspires youth with firsthand leadership lessons from counter-insurgency operations, SSB guidance, and battlefield narratives rooted in his time with India's elite internal security force.

ADITYA ABHYANKAR

Dean of Technology at Savitribai Phule Pune University, dual PhDs (Electrical & Computer Engineering from Clarkson University and Sanskrit Vedanta), inventor-scientist with 8 US and 14 Indian patents, visionary mentor guiding AI-powered pattern recognition, biometric innovation and translating research into real-world technology transfer.

SURABHI HANDE

Popular Marathi actress known for her work in television and films. She rose to fame with her role as Mhalsa Devi in the serial "Jai Malhar", which aired on Zee Marathi. Hande also appeared in the film "Aga Bai Arechya 2" and played the lead in the web series "Bhootatlela".

ARCHIT CHANDAK

IPS officer, currently Superintendent of Police, Akola, and former DCP, Nagpur City. An IIT Delhi alumnus blending technology with law enforcement, he spearheaded Garud Drishti, a cyber intelligence tool, and is known for promoting transparency by engaging citizens on social media. His leadership reflects vision, innovation, and a balance of authority with empathy.

MANVEER SINGH

Entrepreneur and finance educator, founder of Stocks with Manveer. With 940K+ Instagram followers and 200K+ YouTube subscribers, he is on a mission to make financial literacy accessible and actionable for all.
