

# What is TEDx?

TEDx is an annual event that brings together the world's leading thinkers and doers to share ideas that matter in any discipline - technology, entertainment, design - the three broad subject areas that are collectively shaping our future, as well as science, art, humanities, business, development. In fact, the event is broader still, showcasing the ideas that matter in any discipline

# What is TEDxPVGCOET?

TEDxPVGCOET brings the unique TED experience to Pune. TEDxPVGCOET is a curated, day-long, immersive live experience bringing speakers, artists, and audience members together with the purpose of sharing perspectives, sparking deep discussions, and inspiring positive networks and impactful actions around ideas that matter. The event would be held at the well-known educational institution-Pune Vidyarthi Griha's College of Engineering and Technology, tentatively scheduled for Feb 3, 2024. Our aim is to provide a platform where thinkers, visionaries, and learners will be inspired to give talks on a wide array of idea-focused topics to foster learning, provoke conversations that matter, and inspire others.
