Dear Parents,

Greetings!

We are proud that your son/daughter is studying at our college. We continuously strive to achieve academic excellence. To this extent, we are committed to follow Savitribai Phule Pune University guidelines and we follow the Academic Calendar published by Savitribai Phule Pune University on their website [www.unipune.ac.in](http://www.unipune.ac.in). Accordingly **commencement of Term-I of Academic Year 2026-27, is starting TE, BE, M.TECH. & MBA on 1<sup>st</sup> July 2026 and SY B.Tech. from 20<sup>th</sup> July 2026.** HOD's and faculty members working with various departments are aware of this academic schedule communicated by Savitribai Phule Pune University. Along with academic activities college has organized various webinars of industry experts, alumni discussion sessions expected to employability and various skill development sessions expected to enhance employability and prepare students for the challenges and opportunities of the real world.

It is mandatory to all students to complete the admission process in the scheduled time and attend lectures & practicals from the very first day of college. As per new rules & regulation student having less attendance will not be eligible for any scholarship/freeship/EBC and etc. benefits. Even name of this student will not be recommended by college authority for private scholarships / CSR scholarships / Prime Ministers scholarships / AICTE scholarship / J&K Student's scholarship etc.

From last few years, we have automated the Admission process. Students and parents are hereby requested to refer Admission menu on college website [www.pvgcoet.ac.in](http://www.pvgcoet.ac.in). (From the academic year 2020-21 we have introduced one more feature i.e. online payment facility, in association with TJSB Bank. Student are hereby encouraged to utilize online payment facility of TJSB Bank, since It is extremely user friendly, very simple to understand and most convenient for making payment of college fees. Details of this new facility is displayed on college web portal [www.pvgcoet.ac.in](http://www.pvgcoet.ac.in). (Eduplus Campus). Also refer the admission manual.

Students should log in to the College website <http://www.pvgcoet.ac.in>. Select ERP. This menu will give you access to web page titled EduPlus Campus for online filling of Admission form. On this page enter "User name" and "Password" already provided by the college. The "User Name" is valid up to the completion of course. Students are advised to change the password provided by the college. For this purpose student is expected to follow the **"Change Password Process"** after logging on the web site. In case of any difficulty, detailed help menu is available on the college website.

Please ensure that all mandatory fields in all on-line documents are entered with correct information. It may please be noted that any delay in completion of Admission process by concerned students may lead to non-inclusion of his/her name in Attendance Sheet/Roll Call List. As such Student will be solely responsible for his/her academic loss and poor attendance.

We are confident that the On-line Admission Procedure will be appreciated. We sincerely solicit your co-operation in the matter.
