Third Cycle 'A' Grade

Dr Madhuri A Joshi

Former Professor in E&TC,
M.E. (E&TC), MSc (Tech) UK, Ph. D (India)
H.O.D. (E&TC) and Dean R&D, College of Engineering, Pune
Fellow of IET(U.K.), Sr. Member IEEE, FIE(India),
FIETE (India), Life member of ISTE, Alumni of COEP

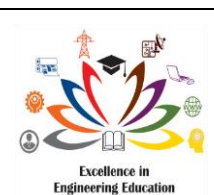

PROFESSIONAL BIOGRAPHY: Madhuri A. Joshi, Ph.D., was Professor of Electronics and Telecommunication Engineering at College of Engineering Pune (COEP), Pune, India. She has more than 40 years of teaching and research experience. Her research interests are in the field of Signal and Image processing. Dr. Joshi has been commonwealth scholar for research at University of Manchester Institute of Science and Technology(UMIST), Manchester, U.K. and recipient of the following: Best teacher award from Govt. of Maharashtra, India, IETE Prof. S.V.C. Aiya memorial gold medal for excellence in research, the award for excellence in Telecom education. She has authored four books. She has published more than 150 papers including 40 at international level. She has guided 13 Ph.D. and 60 Mtech successfully. She is Fellow of IET (U.K.), Sr. member IEEE, FIE(India), FIETE (India), life member of ISTE, Alumni of COEP. She has been founder and active chair of The IET Pune LN for last 6years.

- **Contents:** Orientation to various professional societies such as IETE, IEI, IEEE, IET & ISTE and its impact on career development
- **Objectives:**
 - ✚ To understand the role of professional societies in shaping a successful engineering career beyond academic qualifications.
 - ✚ To highlight opportunities for continuous learning, networking, mentorship, and professional growth through professional bodies.
 - ✚ To encourage students to build a professional identity and lifelong engagement with the engineering community.
 - ✚ To share real-world experiences and insights on how active participation in professional societies can create career opportunities.
 - ✚ To inspire students to engage, lead, contribute, and grow through professional societies such as IET, IEEE, IE(I), IETE and ISTE.
